

PUBLIC COMMENT AND HEARING NOTICE

ARIZONA DEPARTMENT OF ENVIRONMENTAL QUALITY
AIR QUALITY DIVISION
110 REGIONAL TRANSPORT STATE IMPLEMENTATION PLAN

Draft Revision to the Arizona State Implementation Plan Under Section 110 (a)(2)(D)(i) – Regional Transport

A public hearing on the draft revision to the Arizona State Implementation Plan (SIP) under section 110 (a)(2)(D)(i) – Regional Transport will be held at 3:00 p.m. on April 30, 2007, in Room 145 at the Arizona Department of Environmental Quality, 1110 West Washington Street, Phoenix, Arizona. The draft SIP contains a demonstration that Arizona does not significantly contribute to interstate transport of pollutants that impact nonattainment in, or interfere with maintenance by, any other state with respect to the 8-hour ozone and fine particulate matter NAAQS. It also demonstrates that Arizona meets the required prevention of significant deterioration of air quality and protection of visibility provisions of the law.

The public comment period for the draft report will end upon the closure of this public hearing or at 5:00 p.m. on Monday, April 30, 2007, whichever is later. Comments postmarked on or before that date will be accepted. Comments should be addressed, faxed, or e-mailed to:
